By V J Banis

Wildside Press, United States, 2007. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Shot while trying to prevent the kidnapping, murder, and brutal despoilment of her thirteen-year-old daughter, Southern California book editor Catherine Desmond has a tunnel-of-light experience. There is something only you can do, the spirits tell her, and she is returned intact to her former life -- or is she? When she recovers, Catherine finds herself gifted -- or cursed -- with astral projection, and to her dismay finds herself linked psychically with her daughter's murderer. But he too can project himself, and while she searches for a way to bring the brutal killer to justice, he begins stalking her as well, setting in motion an ethereal cat-and-mouse game, with life -- and death -- hanging in the balance! Another cutting-edge supernatural mystery, romance, and action thriller from a master of the genre. From the criminal world of child pornography to the hunt for a ruthless killer, Banis exhibits a sure touch in exploring themes relevant to the modern world. We care about these people, and we care about this story. First-rate! -- Robert Reginald.
