This item is printed on demand - Print on Demand Neuware - Essay from the year 2011 in the subject Politics - International Politics - Region: Africa, grade: Keine, University of East London (Royal Docks Business School), language: English, abstract: Development Aid has gained its popularity since the end of World War II. The first official development Aid, the Marshall Plan was a successful model that rebuilt devastated Europe. Aids, for third world development however, could not prove its outcome. Four decades after the beginning of development aid, Africa is poorer than forty years ago, claims Dambisa Moyo, a prominent American educated scholar and development policy expert. Despite the flow of billions of dollars in African economies, they are more dependent today than ever before. She claims that Aid made Africans lazy. They see it as a regular income and do not try to build their nation themselves. This has a huge impact in the future of Africa. She believes that the donor countries should stop the flow of aid, as it never reaches the ones who really need it. Other prominent development aid experts however doubt this argument because this could mean millions of deaths in short term. However, we can conclude that the way how development aid functions today could be organized in a better way so that it will be more effective. The role of transnational agencies like the World Bank, International Monetary Fund (IMF) and the World Trade Organization (WTO) should be reformed. The pre-conditions for short term and long term loans should not be made dependent on market liberalisation or opening the third world markets. Rwanda, a country that experienced the horrors of one of the most terrible genocide in human history, when...
