Some will tell their story in photos, others with words. Whether your story is in poetry, short stories, photos or haiku, it s important and should be shared with the world. There s always a lesson to be gleaned from that story; something we can walk away with and apply to our own lives. I m a 40-something year old mom of three who has started a new and exciting phase of my life. For the last 20-something years of my life I ve been putting thought to paper; a way to share *my* story -- hopes, dreams, desires, fears and so much more. This book is just a small part of that.
