EVE AND ADAM

Paperback. Book Condition: New. Not Signed; Gattaca meets Dark Angel from international best-selling authors Katherine Applegate and Michael Grant, author of GONE. A mystery-thriller that bursts out of the world of genetic science and into the lives of teens. Love has never had much of a place in the life of Evening Spiker. But being the daughter of a billionaire genetic scientist has other perks. Like a private hospital where you can recover from near-fatal road accidents. And a hot surfer boy to push your wheelchair. While Eve is healing, her mother sets her an unexpected challenge: to use a cutting-edge virtual reality system to design the perfect boy; everything from the colour of his eyes to the level of his IQ. It's the chance of a lifetime. The chance to play God .or is it more than just playing? An exceptional page-turner from the creator of the GONE series. Escapism doesn't get more thrilling than this book for teens. Praise for the GONE series by Michael Grant: Exciting, high-tension story told in a driving, torrential narrative .This is great fiction. I love these books - Stephen King. book.
