Girls in these more austere subjects, in which we do not look for special excellence in their sex, are much like the nursery rhyme of the little girl who had a little curl right down in the middle of her forehead; When she was good, she was very, very 800d; And when she was bad, she was horrid. The Manchester High School for Girls is a very good example of 3 my school. It has a six-year course of study, the girls entering at about twelve years of age and graduating at eighteen.-The school hours are front 9 to 1 o clock five days a week, with fifteen minutes recess in the middle of the morning. Afternoon work is optional, and while pupils (unless delicate or living at a distance) are advised to take one or two afternoon subjects, no girl...
