Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, I Think of You, Ahdaf Soueif, In these selected stories from her collections "Aisha" and "Sandpiper", Ahdaf Soueif writes about love and displacement in prose that is delicately nuanced and acutely observed. These are achingly lyrical stories, resonant and richly woven. But they always retain an edginess as they explore areas of tension - where women and men are ensnared by cultural and social mores and prescribed notions of 'love', where the place you are is not the place you want to be. She delivers her characters with infinite tenderness and compassion as they inhabit a world of lost opportunities, unfulfilled love and remembrance of times past.
