## How to Draw a Clam: A Wonderful Vacation Planner

By Sikorski, Joy

Clarkson Potter, 2000. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!

Summary: How to Draw a Clam takes you anywhere you want to go with creativity, imagination, and a terrific sense of fun. It offers short escapes (open a suitcase filled with sand, remove shoes and socks, wiggle toes in sand) and longer trips (take a nice walk). A whimsical survey examines the various types of vacations, from the adventurous to the vegetative. Possible accommodations are also considered: hotel, friend's couch, under a boat on a moonlit beach. How to Draw a Clam presents short tutorials on drawing deserts, cowfish, flip-flops, and more, and discusses exotic destinations, including beach resorts, ski resorts, and Ohio. This chunky little spiralbound book even has two special pockets: One holds the fabulous foldout Bumpy Road board game; the other contains enough play money for you to make believe you really can buy every silly souvenir your vacationing heart desires.

### Reviews

*I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Jensen Bins**

*The book is fantastic and great. I have got read through and i am confident that i will planning to read yet again once again in the foreseeable future. I found out this book from my dad and i recommended this publication to discover.*
