You are the power that transforms your life. The power you seek is within. It is your birthright. As you read Messages of Truth for Mankind, you will come into your peace, your purpose, and your true self. Once there, your journey becomes truly joyful. Whatever you wish to have in your life, you can have. The key is to know, beyond all doubt, that you are the power that attracts and creates what you desire. There is nothing else that will make the magical transformation for you, and it is no one else's fault that you have not yet achieved your desires. In order to use your power effectively to actualize your desires, you must first identify, and then let go of all thought patterns and belief systems that no longer serve you. Messages of Truth for Mankind will help you challenge what you hold to be true, so you can more easily transform your thoughts about yourself. You will then begin to think, speak, and act in alignment with your goals.
