By John Locke

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An Essay Concerning Human Understanding, Vol. 2 of 3 For it is certain, that in reality the relation is the same betwixt the begetter and the begot ten, in the several races of other animals as well as men: but yet it is seldom said, this bull is the grandfather of such a calf; or that two pigeons are cousin-germans. It is very convenient, that by distinct names these relations should be observed, and mark ed out in mankind; there being occasion, both in laws, and other communications one with another, to mention and take notice of men under these relations: from whence also arise the obligations of several duties amongst men. Whereas in brutes, men having very little or no cause to mind these relations, they have not thought fit to give them distinct and peculiar names. This, by the way, may give us some light into the different state and growth of languages; which, being suited only to the convenience of communication, are proportioned to the notions men have, and the commerce of...
