THE HIDDEN SYMMETRY OF YOUR BIRTH DATE: HOW YOUR BIRTH DATE REVEALS THE PLAN FOR YOUR LIFE

Hay House UK Ltd. Paperback. Book Condition: new. BRAND NEW, The Hidden Symmetry of Your Birth Date: How Your Birth Date Reveals the Plan for Your Life, Jean Haner, On the day you were born, you were imprinted with a plan and a purpose - elegant patterns that can be read to see who you really are and what your true calling is. And like your own personal tide table, the ebbs and flows of each phase of your life were set into motion on the day of your birth. Based on ancient Chinese principles of balance and health, this book gives you a rich understanding of your hidden symmetry - the intricate inner design that influences who you are and how your life unfolds. This book is not about astrology or numerology; it is based on thousands of years of research about how time moves in natural patterns and profoundly affects your life. You can use this knowledge to discover the themes running through your life experience, tap into your core strengths, find lasting love and do your best work in the world. Jean Haner shows you how to ride the waves instead of fight the current of your life, learn how to make best use of what's coming in future years, and understand why things happened as they did in the past. Jean will guide you to discover who you really came here to be, recognize the true nature of everyone you meet and break free of old limitations - and create a life of conscious vitality, joy, ease and love!.
