

Building Strong Music Programs: A Handbook for Preservice and Novice Music Teachers

By Charlene Ryan

R&L Education. Paperback. Book Condition: New. Paperback. 122 pages. Dimensions: 8.8in. x 5.8in. x 0.1in. Building Strong Music Programs uniquely focuses on music programs in the public school community, providing strategies and tools for developing a vibrant music program and building community support. Covering relationships with colleagues, parents, staff, administrators, and the community at large, Charlene Ryan also provides tactics for developing courses, performances, and publicity to enhance your program. Build a repertoire of tried-and-true strategies covering curriculum, classroom management, special needs, concerts, assessment, budget, and more that are based on years of teaching at all levels. While program building is an essential, time-consuming part of every music teachers job, students are rarely prepared for it. The questions for discussion and student assignments make this an excellent choice for preservice teacher training courses. Ryan covers issues important to student teachers, new teachers, teachers changing schools, and teachers looking to rejuvenate their existing programs. From student trips to music software to district ensembles to advocacy to entry-level instrumental courses, Ryan covers it all in this comprehensive handbook. This item ships from multiple locations.
