

Living with Asperger syndrome and autism in Ireland

By Stuart Neilson

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 252 pages. Dimensions: 9.1in. x 6.1in. x 0.7in. This book is for people with autism spectrum disorder, from adolescence to adulthood, and for people who wish to understand the experience of living with autism in Ireland. You are probably reading this far because you have been diagnosed with a label on the autism spectrum, suspect that you may have some degree of autism or have an interest because you live with or have a friendship with someone who has, or might have, an autism spectrum disorder. The term autistic in this book refers to all people with autism, whether with Asperger syndrome, high-functioning autism or any other position on the spectrum. The important criterion is that the issues in your daily life relate to the issues discussed here within the book we use the term as little as possible, just as humans exploring the moon or the ocean depths would not discuss the problem of being human in those environments. Why specifically in Ireland Because this book is about life, not about autism, and we want to refer to the services, bureaucracy, social settings and other...
