

Tax Effects of Conducting Foreign Business Through Foreign Corporations: Prepared for the Use of the Committee on Finance, United States Senate (Classic Reprint) (Paperback)

By United States Congress Senate Finance

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Tax Effects of Conducting Foreign Business Through Foreign Corporations: Prepared for the Use of the Committee on Finance, United States Senate This study, which has been prepared for the Committee on Finance, sets forth in section I certain statistics with respect to the Organization of new foreign subsidiaries in which U.S. shareholders have an interest and which are located in various countries of the world, with emphasis on Switzerland. Section II briefly discusses the various commercial and tax reasons for conducting a foreign business through its subsidiary Corporation organized under the laws of one or another foreign country. Section III of the report discusses some of the various types of foreign operations and the rules of present law applicable to those operations. Section IV deals with situations in which a foreign subsidiary is organized in one country but operates in one or more foreign countries. Section V discusses the abuses which do or may occur under present law. For purposes of preparing this study, materials were collected primarily from the Office of International Operations (010),...

Reviews

It becomes an amazing ebook that we have possibly read through. It is really simplified but surprises within the 50 % from the ebook. You can expect to like how the blogger compose this book.
