TWEET IF YOU HEART JESUS (PAPERBACK)

Church Publishing Inc, United States, 2011. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Churches everywhere are scrambling to get linked with Facebook, Twitter and YouTube, but are they ready for the Digital Reformation and the dramatic global shift in the nature of faith, social consciousness and relationship that these digital social media have ushered in? Tweet If You A A Jesus brings the wisdom of ancient and medieval Christianity into conversation with contemporary theories of cultural change and the realities of social media, all to help readers to reimagine foundational Christian practices for a new environment. Welcome to a vital spiritual landscape where God seems to be doing a new thing with our technological characters as a time.

ELIZABETH DRESCHER is a scholar, writer, and speaker focused on the spiritual practices of writing, listening, prayer and just. She holds a Ph.D. in Christian Spirituality from the Graduate Theological Union in Berkeley, along with master's degrees in systematic theology, Christian writing, and public policy. Currently on the faculty of Santa Clara University in California, Drescher has served as the Director of the Center for Anglican Learning & Leadership at Church Training School of the Pacific and as a management and organizational development consultant. She is a regular contributor to the online magazine Religion Dispatches and blogs at www.elizabethdrescher.net.

"A must-read for anyone hoping to reach out to Generation Next and make church relevant, timely, and accessible in America's tech-savvy culture. Drescher makes a convincing case for why digital social media and church not only go hand in hand, but how new technologies can take us beyond traditions from the past to help us update for today." —Thomas Horton, author of *See and the Soul: Juggling Secularity, Spirituality, Business, and Religion in America's Global Context*

"Tweet If You Heart Jesus is one of the sharpest, most engaging books on the social media landscape that a reader of any background might hope to encounter. Writing with great wit, warmth, and clarity, Drescher brings the medieval with the postmodern in a stunning, highly original analysis of the potential that digital social media hold for the creation of genuine community." —Lisa Mitchell, Senior Editor for Religion Dispatches

"Brisson, being well-versed in this book will capture you and take you world upside down. Drescher convincingly argues that social media are transforming the contemporary church from its getting more transformed the medieval church. This book changes perspective at the prospect of these technologies into opportunities for their potential." —Margaret Benfield, author of *Soul at Stake and the Soul of a Leader*
