INVERSIVE GEOMETRY (PAPERBACK)

Dover Publications Inc., United States, 2014. Paperback. Book Condition: New. Reprint. 214 x 138 mm. Language: English . Brand New Book. This introduction to algebraic geometry makes particular reference to the operation of inversion and is suitable for advanced undergraduates and graduate students of mathematics. One of the major contributions to the relatively small literature on inversive geometry, the text illustrates the field's applications to comparatively elementary and practical questions and offers a solid foundation for more advanced courses....
