

The Crawford's Big Book of Math-Tivities (Paperback)

By Brian Crawford, Yvonne Crawford

Raphel Marketing., United States, 2013. Paperback. Book Condition: New. 279 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****.The Crawford's have developed hundreds of brand-new Math-tivities that combine math instruction with arts and crafts, games, puzzles, and outdoor play to make math the most fun part of the day! All the Math-tivities are aligned with specific Common Core Standards for grades K to 2 so teachers can track their students progress toward mastering each Standard. Math-tivities includes a wealth of printable activities for students including: Mathbooking a new combination of math journals + scrapbooking; Math Glyphs students answer math questions to create a personal work of art; Math and Tell combines storytelling with math word problems; Math Games and Puzzles brand-new math games to entertain students while they learn; Taking Math Outside use the great outdoors as your new location for math class; Holiday Math use special seasons of the year for showcasing math instruction Many of the Math-tivities provide opportunities for integrated and differentiated instruction to allow teachers to combine subject matter as well as pinpoint each student s individual needs. And the charming Math-tivities characters will delight young students as they learn math...
