After a battle left Ramiro Ibanez de Tolosa s face terribly disfigured, the knight of the Order of Calatrava abandoned his sword for a pastoral existence. But his beastly appearance horrifies all those who cross his path with the exception of his adoring and pregnant wife. Can he keep Louisa and their unborn child safe from the war that is coming to Iberia?As Ramiro prepares for his child s birth, Brother Lazare of the Cistercian order searches for a means to inspire men as he travels with the crusading Templars. He seeks swords of legend named blades carried by heroes of old believing such symbols have the ability to rally men in a way no king could ever accomplish. But when he learns of the stories told of the mysterious monster that haunts the Iberian battlefields, he wonders what sort of power this new legend might contain the legend of a man whose scarred face and cold demeanor cannot hide his heroic soul.
