Americas Army continues to answer the Nations call, as it has since it was established nearly 235 years ago. The Armys Soldiers, Civilians, and Families faithfully shoulder the load that our Nation asks of them. With the support of the Congress, we are on track with our four-year plan to put the Army back in balance. Though their sacrifices can never be fully repaid, the Nation continues to recognize and honor our Soldiers and their Families by supporting them before, during, and following deployments. Our Soldiers rely upon the best training and equipment that our Nation can provide to accomplish their mission. Equipment is used at a pace that seriously challenges our maintenance and replacement capabilities and resources. The stress is present in our institutions as we change 20th-century systems and processes to meet the demands of the 21st Century. Our Nation faces the difficult challenge of balancing when, where, and how to engage in a dynamic and uncertain world while meeting important priorities at home. However, when the security of our citizens or allies is threatened, the Nation can depend on Americas Army the Strength of the Nation. Our Army continues to lead America in the global struggle against violent extremism. Since the attacks of September 11th,...
