DIPLOMACY FOR THE 21 CENTURY

Mittal Publications, New Delhi, 2002. N.A. Book Condition: New. X+210pp We have considered the underlying forces that shape relations among nations in the present period of world history. We turn now to consideration of the process through which the official portion of these relations is carried on, diplomacy, and to consideration of the men who represent their nations in these relations, the diplomats. It is customary to consider these men and their activities as very important, but if the analysis of the various chapters is correct, the scene is set and the script largely written before the diplomats appear upon the stage. Can one really believe that it was Matternich, as ambassador to Paris, who was responsible for keeping France and Austria at peace? Can one believe that by taking a different stand, American diplomats could have prevented China from falling of the Communists? Is it possible that a knowledgeable and clever diplomat in New Delhi today could alter the policy of India toward the United States or the policy of the United States toward India? If so, one can believe that the proper diplomat in the proper place at the proper time saying the proper things can play a major role in international politics, that a good diplomat sets the stage and writes the lines as well as performing before an admiring public. Diplomacy can only gain public esteem by shaking off the intrinsically isolable arguments about virtue and conscience and concentrating on more practical goals. Reciprocal self-interest is and should remain the central theme. In this wise and eloquent book, the author presents his views on the challenges of diplomacy in the post-Cold War era. The author draws on his years of experience and knowledge to offer an overview of diplomacy as practiced in today?s world. Interweaving historical...
