THE ROAD TO SCIENTIFIC SUCCESS: INSPIRING LIFE STORIES OF PROMINENT RESEARCHERS (VOLUME 2)

DOWNLOAD

World Scientific Publishing Co Pte Ltd. Paperback. Book Condition: new. BRAND NEW, The Road to Scientific Success: Inspiring Life Stories of Prominent Researchers (Volume 2), Deborah D. L. Chung, This is Volume 2 of the book series The Road to Scientific Success: Inspiring Life Stories of Prominent Researchers. Authoritative scientists describe their life experiences in relation to how success was attained, how their careers were developed, how their research was steered, how priorities were set, and how difficulties were faced. These keys to success serve as a useful guide for anyone looking for advice on how to direct their career and conduct scientific research that will make an impact. The focus on the road to success (rather than scientific findings) and on personal experience aims to inspire and encourage readers to achieve greater success themselves. The objectives of this book series are: To motivate young people to pursue their vocations with rigor, perseverance and direction To inspire students to pursue science or engineering To enhance the scientific knowledge of students, including those who do not major in science or engineering To help parents and teachers prepare the next generation of scientists and engineers To increase the awareness of the general public to the advances of science To provide a record of the history of science.
